 13. Late coming in is disqualified.
 14. Must keep fish alive (live wells).
 15. Oak Run not responsible for accidents.
 16. Decision of tournament officials final.

AQUA ILLINOIS, INC.

- A new well has been constructed and is in operation as a second water supply for our customers of the Oak Run Association. Since Aqua Illinois, Inc. services over 550 customers within this single division, the Illinois Environmental Protection Agency strongly recommended this second water supply.

- The elevated water storage tank has been painted and brought up to proper Occupational Safety Health Administration safety standards to maintain the integrity of the tank.

- Liens are being filed on any availability accounts that become 91 days or more delinquent on a bill. Please avoid unnecessary filings and make sure you mail your payment in on time.

- Sign up for a direct debit payment plan today! Just simply call (800) 851-1305 and ask for a form to be mailed to you! Currently out of about the 2,500 accounts billed each quarter, only 76 of them are utilizing this great option. That is only 3%! This option helps to eliminate at least two chores - preparing and mailing a check in for payment of your quarterly bill. So please call today so we can get you signed up right away!
